#### Why Grant Thornton

We offer our clients the best of both worlds. On one hand, we are very attentive to clients' needs, their business objectives, challenges they face and their commercial context. On the other, we draw on the profound global expertise of the whole organisation. This leads to world class quality combined with highly tailored service offering and personal approach.

We give our clients the comfort of knowing that the financial information about their company is correct. We also offer the opportunity to further develop their business by providing valuable advice based on information and experience that are hard to come by for the single entrepreneur. Our team of business advisors, auditors, tax consultants and accountants is committed to helping and build clients' success.

#### Our clients

We focus on middle-sized and large privately held businesses as well as small and big publicly listed companies. Our clients are more than 1,000 companies with Polish and foreign capital. In this group there are dozens of listed on the Stock Exchange and companies from among the list of 500 largest enterprises in our country.

#### Awards we've won
