**Sergey Shapiguzov**  
 President & managing partner

*"FBK has had a good reputation for nearly 25 years. Being part of Grant Thornton strengthens our professional reputation as a solid basis for further development in Russia and round the world. Our strategic goals are on the same path. Trust which was built amongst our partners and clients is our main asset and our main competitive advantage. This trust has enabled us to maintain our leadership in the industry and market for so many years. And above all, for any business, trust is the foundation for growth."*

**Sergey Shapiguzov**

### Who we are

We were founded in 1990, and became a member firm of Grant Thornton on 1 August 2014. We are one of the leading firms in the Russian accounting and consulting services market, consistently ranking among the top firms in the country, providing services to 30 of Russia's 100 largest companies.

### Where we are

Currently based in Moscow, we provide services to companies countrywide.

### How we work

FBK Grant Thornton focuses strategically on helping our clients grow. We have a strong history of being a dynamic market leader for our clients.

### Why Grant Thornton

FBK Grant Thornton's basic principles are: independence, integrity, objectivity and professional competence. As a result, our brand has become synonymous with quality auditing, effective consulting, flawless legal support and defence, as well as a strong supporter of corporate social responsibility. We provide comprehensive services at a consistently high quality level, tested across time and geography, in accordance with Russian and international standards.
