Peter Allen CEO

"Grant Thornton Singapore is one of the leading firms in our ASEAN practice. We provide audit, tax and advisory services principally to multinational inbound clients from the region and globally. Our brand promise is to unlock the potential for growth in dynamic organisations. This is at the forefront of our people's minds and throughout our operations.

Our methodologies, systems and processes are best in class. At Grant Thornton we are able to leverage the combined learning, experience and knowledge of our people globally. Together with our culturally diverse partners and our people, we work closely with our regional firms to ensure a seamless as well as excellent service across all locations, service lines and industries for our clients."

# Who we are

Grant Thornton Singapore offers a full range of audit, tax and advisory services. Established in 2015, we support our clients operating in Singapore and in the wider ASEAN and APAC regions. In respect of our clients' cross-border business requirements we work with other Grant Thornton member firms in the region to ensure that our clients receive an optimal level of service.

#### Where we are

We operate in the heart of the business district in downtown Singapore.

#### Why Grant Thornton

Working with Grant Thornton means that you'll be working with experienced professionals who have driven success in their professional fields. They are on-hand to provide sound business solutions necessary to meet the needs of our clients. We have a passion to help dynamic businesses unlock their potential for growth.

We are a client-focused organisation where the client is at the centre of our operating model. Due to our agile size we are able to provide a closer client service experience together with defined commercial decision making advice. We develop client solutions aligned to the industry needs of the day.

Our flexible approach on working with clients together with our partners and other service line providers is what sets us apart and above our competitors.

Grant Thornton has won much international recognition because of the strength and expertise of our people and our commitment to their development.

#### How we work

Our people are our most valuable asset. It is one of our strategic priorities to attract, develop and retain the best people across Grant Thornton. Through empowering them we shorten the decision making chains. This means we can operate in a fast and agile way, to provide our clients with wider, value-added advice and to help dynamic businesses to mitigate risk, drive cost savings and increase operating effectiveness.
