“At Grant Thornton Albania we support dynamic businesses to grow and become successful. We work closely with client management teams to understand the difficulties that these businesses have and we then take an active role in finding the most appropriate solutions. Our continued success relies on our broad experience together with our best people that forms the basis of our ability to assist each client in the best possible way. We combine local knowledge with international expertise and that makes Grant Thornton in Albania different.”

Who we are

We are leading business adviser dedicated to serving the needs of privately owned, publicly listed and public sector clients, unlocking their potential for growth, by providing meaningful, forward looking advice through a broad range of assurance, tax and advisory services.

Through empowered client service teams, approachable partners and shorter decision making chains, we are handling complex and highly confidential situations, where we bring intellectual capital, unconventional thinking and a problem-solving approach.

For more than five years, we have been a member of the international network, Grant Thornton, developing extensive relationships with the largest companies in the country. We serve a broad base of domestic and international clients, by uniting the world-class methodologies and systems with local knowledge and specific experience.
