How we work

We have a highly qualified and experienced team, enabling us to satisfy the needs of our clients, as well as offering support to those companies already operating, or expecting to initiate operations in Guatemala or abroad.

Why Grant Thornton

We have a highly qualified and experienced team, enabling us to satisfy the needs of our clients, as well as offering support to those companies already operating, or expecting to initiate operations in Guatemala or abroad.

What we do

We offer a wide variety of services:

Assurance

We understand that every client is unique. Our assurance services are therefore customised for maximum value to the client. These services consist of:

- audit of financial statements
- audits of specific areas
- evaluation of internal controls
- evaluation of internal controls of specific accounts
- evaluations, design and implementation of internal controls
- internal control manuals
- operational audits.

Tax

Grant Thornton has created an international tax unit with the capacity to supply swift, solid analyses of all aspects of international taxation, allowing our clients to make correct, timely decisions when evaluating international projects. Our tax services encompass many areas, including:

- general advice on tax, tax exemptions, labour, commerce, customs, tax exempt free zones, draw-back services and foreign investment
- legal support for taxpayers
- outsourcing to fulfill fiscal and legal obligations
- permanent and annual tax consultation
- tax assessment
- tax consultation
- tax planning.

Other services

Research shows that all successful companies have solid operational procedures. That is the main reason why external advice is a basic requirement for the administration and management of companies in an increasingly complex business environment.

- consulting
- corporate valuation
- design and set-up of financial planning systems
- evaluation, design and follow-up of administrative processes
- permanent financial and accounting.

We try to provide our clients with all the necessary services to ensure that they have ample time to concentrate on their core activities and avoid bureaucracy, thus enabling cost goals to be better met.

- assistance provided for procuring financial resources
- external sources
- human resources
- outsourcing (payroll administration, accounting, physical and inventory control, administrative process).

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
