Jordan

"As a member firm of Grant Thornton, we are able to combine the knowledge and experience of our local marketplace with the technologies, methodologies and specialist resources of a professional services organisation at the forefront of the global accounting profession."

Ibrahim Hammoudeh
Managing partner

Who we are

Arab Professionals Co, Grant Thornton Jordan, is one of the leading and most reputable firms in Jordan.

Where we are

Our office is situated in Amman.

How we work

We provide audit, accounting and consultancy services the highest professional standards to a wide range of prominent international and local entities.

What we do

Arab Professionals Co serves more than 200 of the leading firms in Jordan, as well as more than 35 of the largest local public shareholding companies listed on the Amman Stock Exchange. We also provide services to privately owned businesses in the local community.

Assurance

We provide a full range of audit and accounting services in accordance with international standards. The firm is also committed to providing its clients with information about doing business in Jordan.

Tax

We offer comprehensive national tax services to our tax clients. We take the role of planners, researchers, counsellors, and compliance monitors. We ensure that our clients comply with changing laws and regulations and take advantage of all money-saving opportunities.

Other services

- business risk services
- forensic
- mergers & acquisitions
- project finance
- recovery & reorganisation
- transaction advisory services
- valuation
- capital markets
- corporate governance
- financial due diligence
- incorporation & registration
- internal audit.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
