### Where we are

We are based in Doha.

### How we work

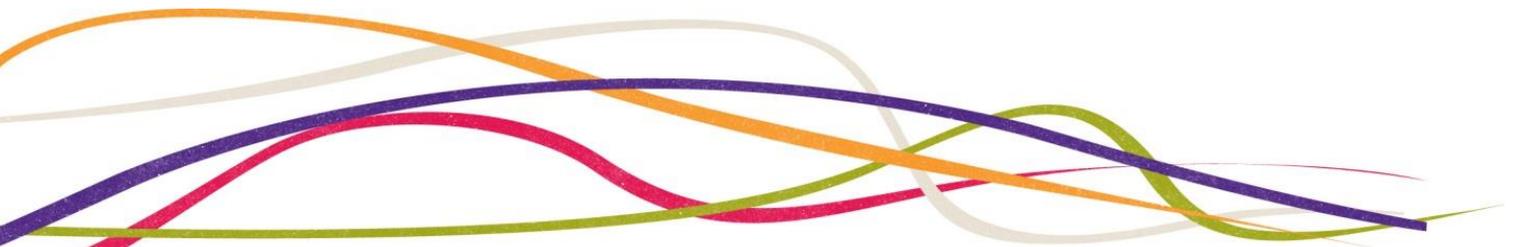

Dr Sultan Hassan Al Dosari Auditing & Accounting was founded in 2002 and is led by Dr Sultan Hassan Al Dosari with support from Muhammad Ovais, head of audit and tax, and Sneharaj U.B, head of accounting solutions. The firm has 25 employees.

### Why Grant Thornton

Qatar is a dynamic hub of economic activity and opportunity supporting a wide range of industries including real estate and construction, natural resources, public sector and hospitality & tourism. Grant Thornton Qatar has a strong reputation for providing audit, accounting and tax services to both Qatari and international clients.

### Our clients

The firm services a diverse portfolio of clients in privately held businesses and public interest entities within various sectors which include, but are not limited to, financial services, oil and gas, construction contracting, manufacturing, transportation, hotel/leisure industry and not-for-profit. Our specialist teams provide a value-added approach to each one of our clients, truly making a difference at every step.

## What we do

We offer a broad range of accounting, audit, tax and outsourcing services.

## Assurance

The firm provides a full range of audit and accounting services in accordance with the International Standards on Auditing. The firm is committed to giving its clients value for money; providing them, wherever possible, with commercially minded assistance and advice, in addition to meeting its obligations to its clients and to the outside world as an independent auditor.

## Tax

The firm advises on tax planning, compliance with tax legislation, including advice on the most effective corporate structures and procedures to adopt in establishing a business in Qatar.

## Other services

### Outsourcing

The firm delivers a wide range of outsourced services including book-keeping, payroll services and financial management & reporting.

## Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 40,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
