Managing partner

*"We believe that the quality of our professional services should consistently exceed the client's expectations. To achieve this objective, we have employed and trained a large number of specialised professionals of the highest calibre to serve our clients."*

### Abdullah M. Al-Basri

#### Who we are

Aldar Audit Bureau (Abdullah Al Basri & Co.) as one of the leading professional firms in Saudi Arabia, providing a wide range of professional services to a large base of closed joint stock companies, limited liability companies, establishments and businessmen. Our practice is multi-faceted, ranging from audit, advisory, taxation, training and management consultancy.

The strength of Aldar in Saudi Arabia is reflected in the quality of our international organisation. Combined with an intimate knowledge of Saudi Arabia's social and business cultures, we are able to offer specialised assistance that

#### Where we are

We are based in Riyadh, Jeddah, Al Khobar.

#### How we work

Our services are performed in accordance with the highest levels of professionalism in accordance with local accounting and auditing standards; and the International Financial Reporting Standards (IFRS) along with the other international standards on auditing.

#### Why Grant Thornton

Our service is second to none. We have a large base of clients who want close business relations with us. We add strategic value to these businesses by providing outstanding customer service along with professional and practical advice as well as our insights and approach for business growth. This instinct differentiates us from our competitors.

#### Our clients

Our client base is spread over all the sectors of the Kingdom's economy. We service all types of businesses including establishments, limited liability companies, closed joint stock companies and joint stock companies. We are serving five sectors mainly ie banking, FMCGs, construction, hospitals and media and newspapers.

#### What we do

Aldar serves its clients through its offices located in the major cities of the Kingdom - Riyadh, Jeddah and Al-Khobar in addition to Grant Thornton offices in the Middle East and internationally.

responds to the business and individual needs of the world market.

At Aldar, we believe that the quality of our professional services should consistently exceed the client's expectations. To achieve this objective, we have employed and trained a large number of specialised professionals of the highest calibre to serve our clients.
