“We employ enthusiastic and proactive experts in the fields of assurance, consulting, tax advice and specialist advisory services. The high level professionalism of our staff is what ensures the consistent high quality of the services we provide. In addition to our professional qualifications, our clients can also count on individual advice and personal service.”

Nikica Kolundzija

Who we are

Grant Thornton Serbia was founded in 2000 and became a member firm of Grant Thornton International in January 2010. Grant Thornton Serbia comprises Grant Thornton Revizit doo (audit firm) and Grant Thornton BC Consulting doo (advisory and consulting services). We offer audit, consulting and advisory services to privately held businesses and their shareholders, as well as to capital market focused and public interest entities.

Where we are

Our office is located in the Serbian capital city of Belgrade.

How we work

Our personnel have acquired their experience over many years working on the complex audit of financial reports, providing consulting services and other assignments in the field of accounting. We have a wealth of experience in final reports, evaluations of capital assets and elaboration of business plans. We prepare due diligence reports for the Privatisation Agency of the Republic of Serbia as well as for numerous other clients.

Our rich experience and strong qualifications allow us to apply the appropriate models of evaluation, investment and business plans.

Where we are

Based in Belgrade, the firm has ambitions to expand its operations to new locations, to increase the range of services they offer and accordingly expand their people base.

How we work

The employees of the firm work under the supervision of an experienced manager in order to deliver services to Grant Thornton clients effectively and efficiently.

What we do

We provide assurance, tax and advisory services.

What we do

We work with all kinds of enterprises, including corporate, domestic and international business, and large state owned companies.

Assurance

- audit and review of (consolidated) annual financial statements
- expert opinions for technical queries on IFRS accounting treatment
- IFRS conversion
- impairment tests
- review of interim financial statements
- transaction orientated statutory or voluntary audits, such as merger audits and audits on owner's request.

Advisory services

- recovery & reorganisation
 - turnaround and restructuring
 - financial management
 - interim management
 - liquidations.

Other services

- corporate finance
- due diligence and feasibility studies
- expert opinions
- financial record keeping
- initial public offerings
- lead advisory
- mergers & acquisitions
- preparation of annual financial statement and tax returns
- purchase price allocations.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
