Who we are

For over 40 years, Grant Thornton Switzerland has supported privately held businesses as well as public companies, offering a focused range of services. In addition to traditional audit, tax and accounting services, the firm also offers advisory services such as valuations and financial due diligence. At the beginning of 2014 RevITrust merged with Grant Thornton Switzerland and took over the representation of Grant Thornton in Liechtenstein.

The combined firm Grant Thornton Switzerland/Liechtenstein is led by Patrick Hilty and has revenues of US\$26.9 million, with 11 partners and around 130 staff across four offices. This merger greatly increased depth of coverage and strength across Switzerland and Liechtenstein at the same time as increasing the firm's banking and financial services expertise.

Where we are

Our offices are located in Zürich, Geneva, Buchs and Schaan.

How we work

We know our clients and attach great importance to personal customer care. Our motivation is to understand customer needs and to satisfy them at the best within the legal framework and professional standards. Our clients profit from our positive image and good relations with public institutions and authorities. We are a fair and reliable employer with motivated, good skilled and team-minded staff. Our ISO 9001 certification ensures that our services are efficient, reliable and of good quality.

Our clients

Grant Thornton Switzerland/Liechtenstein works for demanding private and business clients on a regional and international level. The wide experience and in-depth specialist knowledge of the consultants guide clients through the complexity of today's global markets and regulatory provisions.

Why Grant Thornton

Grant Thornton Switzerland/Liechtenstein is approved by the Public Company Accounting Oversight Board (PCAOB) as well as the Federal Audit Oversight Authority (FAOA) of Switzerland and the Financial Market Authority (FMA) Liechtenstein. These approvals and our moderate size enable us to satisfy customer needs of demanding clients in an international and national context while being small enough to be agile and react flexible to client needs and to changing regulations. We are proud to be market leader in the audit market in Liechtenstein.
