How we work

Grant Thornton Tajikistan is a multi-professional group of public accountants and auditors, advisers in finance, business and management. We unite experienced international and local professionals working at our office in Dushanbe.

Supported by the depth of the international structure, the strength of the brand and the high standards of quality in the network, we deliver services, which meet the high expectations of our clients.

Our clients

Our clients are public and private organisations in different sectors, including banking, telecommunications, manufacturing, transportation, energy, agriculture, health care, hospitality, as well as international financial institutions

Why Grant Thornton

Grant Thornton work is based on the solid principles of high quality services, personal attention to each client, communication during the entire process and compliance with high professional and ethical standards.

What we do

We provide audit, in-depth professional consulting services and advice to enterprises, banks, and financial institutions, governmental, local and international organisations.

Assurance

- audit of financial statements prepared according to International Financial Reporting Standards (IFRS), US GAAP and other financial reporting frameworks
- review of financial statements
- agreed upon procedures
- IT assurance (IS auditing standards, guidelines and procedures (ISACA), ITAF).

As statutory auditors we prepare reports to shareholders as required by the law and attend annual shareholder meetings.

Tax

We advise our clients on all aspects of corporate tax strategy development and tax planning, tax issues arising from formation or acquisition of a company, providing an overview of local and international perspectives.

Advisory services
