Who we are

Established in 1999, Grant Thornton Togo (previously CKA Audit & Conseil) we have a strong reputation in West Africa. We are registered as certified accountants in Togo, Benin and Democratic Republic of Congo. We are also present in the Republic of Congo. We joined the Grant Thornton global network in October 2012 and we are currently one of the top five practices in Togo. Our firm has one partner and 24 staff. The firm's main service focus is currently on audit but we also carry out tax compliance work and consultancy activities. The firm plans to develop advisory services in the near future. Our firm is very well respected in the countries that we operate in and we have many dynamic businesses as clients, including those with international operations.

Tax

- advice and assistance on tax obligations
- company administration services (secretarial, immigration, etc)
- negotiations with tax authorities
- preparation and filing of tax returns
- international investors dedicated services (one stop shop)

Other services

- assistance to governments for privatisation
- investigations
- organisation and restructuring
- valuations
- accounting services
- expert evidence
- training.

Where we are

We have one office in Togo based in the capital, Lomé.

How we work

Ethics, expertise, professionalism, and availability are some of our core values. We guarantee efficient work and an opportunity for growth and success. These values are our major drivers and the basis for our long lasting client relationships.

Why Grant Thornton

We innovate and are not afraid of investing in new techniques. We also spend time and money in the development of our people's competencies and new service offerings. As a result, we have rapidly gained a strong reputation of professionalism that also helps in attracting and retaining performing staff.

Our clients

We have many premium companies as our clients. These include large private and public companies, local medium sized firms, subsidiaries of multinationals and institutional. Our clients operate in different industries. About 70% of our clients are focused on telecommunication, oil & gas, public sector and NGOs, energy and mining.

What we do

Assurance

We perform audits and reviews based on international or local standards as required, in both private and public sector, for local and international clients, with an in-depth industry knowledge.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across more than 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
