Who we are

Our firm was founded in 1996. We are the member firm of Grant Thornton International, one of the world’s leading global audit, tax and advisory organisations. We continuously develop our service lines, striving to meet the growing demands of clients and the market in general.

Where we are

The firm now provides services to companies in all over Uzbekistan. In addition to our three main offices in Tashkent, we have regional offices in Bukhara and Andijan.

How we work

The firm is a multi-professional group of accountants and auditors, specialist advisers in finance, business and management, as well as tax and legal advisers.

Supported by the depth of the international structure, the strength of the brand and the high standards of quality in the network, we deliver services which meet the high expectations of our clients.

We are known for being a reliable consulting practice that is always ready to react promptly to client requests. We have been doing business with some clients for a number of years and in the process we have established a warm partnership with them.

What we do

We provide audit, in-depth professional consulting services and specialist advice to enterprises, commercial banks, financial institutions, governmental, local and international organisations.

Assurance

- agreed upon procedures
- audit of financial statements prepared according to International Financial Reporting Standards (IFRS) and other financial reporting frameworks
- audit of statutory financial statements
- review of financial statements.

Tax

We advise our clients on all aspects of corporate tax strategy development and tax planning, tax issues arising from formation or acquisition of a company and provide an overview of local and international perspectives.

Advisory

- budgeting and management accounts
- business risk services - Advising businesses on the effectiveness of their governance, risk management and internal controls including internal audit, internal control reviews, other services (IT security, IT strategy, IT due diligence and IT assessment)
- financial and investment consulting
- HR and public consulting
- information technologies
- mergers & acquisitions - fundraising, disposals, MBOs, MBIs
- strategic and market research
- transaction advisory services - due diligence, pre and post deal services, bid support, public company reporting
- valuations - executing business, company, share and asset valuations, either for commercial or statutory purposes.

Other services

- book-keeping
- cash management
- optimisation of accounting departments' functions
- payroll administration
- statutory financial reporting
- tax returns preparation and filing.

Outsourcing services range from set up of accounting systems and regular account maintenance to provision of interim reviews of the accounts and preparing budgets and monthly or quarterly reports. As accountants we also prepare year-end financial statements and all tax and social contribution returns. Our legal and policy advice involves a wide spectrum of corporate legal consultancy.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
